

## AUTUMN TERM

### WELCOME BACK

We hope you've all had a fabulous Summer holiday, we can't wait to see you all. There are a few exciting changes this term and your new timetable is attached to this email. The first exciting change is that Miss Tara will be joining us in Newton Ferrers on a Monday so that we can add more classes and reduce my workload. Anyone who is moving to a new class/ starting a new class will have been notified of their class time personally.

## EXAMS 2025

We are planning to hold a Tap and Modern exam session in April and hopefully our very first Ballet exam session in May. All those who will be eligible will be notified after half term.

## Fees

Sadly there are still several outstanding invoices not paid from the Summer Term. We did have a problem with our email system so please check your junk mail. These need to be paid ASAP!

## SUMMER SCHOOL

We had an amazing week at Summer School this year. We're already excited for Summer School 2025.

## SUMMER SHOW

I have been working all summer long to get your show video ready for you so you can relive our amazing Summer Show. We also had the wonderful Laurie B Film and Photography in to photograph the show. Information on how to purchase videos and photos will be coming your way in September.

## \*NEW CLASSES\*

### ADULT CLASSES

We have two brand new adult classes starting this term.

Adult Ballet will continue in Roborough and will now be followed by Adult Modern/Jazz.

Adult Ballet will be starting in Newton Ferrers on a Monday night.

If you or a friend would like to try any of our adult classes please get in touch.

### ACROBATIC ARTS

Due to popular demand, we have a brand new Acro class starting on Saturday morning at Brixton. Suitable for 6-9 years (students must be studying an additional dance class). I anticipate this class will be filled very quickly. If you have already expressed your interest please remind me so I can confirm your spot.

If you would like to start Acro please get in touch as space is limited.

### BABY BALLET

There will be two brand new Baby Ballet classes suitable for pre-school children aged 3-4 years in Roborough and Newton Ferrers. Please check the timetable for more information.

## TRY A NEW CLASS

It's never too late to try a new class. Perhaps you've always wanted to learn the graceful style of Ballet, or the rhythmical style of tap. Perhaps you've always wanted to be the coolest person at the school disco? Ask us about our existing classes and find out if there is space. All Dance Fusion students get 1 free trial and a 2nd at half price.
